You may register your students individually or as a group. Students must have a chaperone. Science Center minimum requirements are one chaperone per 10 students. The cost is \$40 per person. The price includes an Omnimax movie, a Buhl Digital Planetarium show, exhibit exploration, a hands-on workshop, dinner (\$5 voucher), an evening snack, and breakfast.

Full payment, \$40 per person, is due by March 16, 2012. Please have one check made payable to Carnegie Institute. Payment also may be made by cash, Visa, MasterCard, or American Express.

On the night of your sleepover, your group leader will be given a registration packet with necessary materials. He or she then can distribute those materials to the group. Group leaders are responsible for the supervision and behavior of their groups.
